## Employment Opportunity:

# FORESTRY FIELD STAFF

DWB is seeking applications for forestry field staff for the fall term. There may be opportunities to extend the term through the winter as workloads allow. These are field positions based out of the Prince George, Lac La Hache, Chetwynd and Burns Lake offices. Field work may be camp based. As this is a field position, you must be ready to show your tough side. You will be working long hours in remote locations often under adverse weather conditions, but you will learn a lot about yourself and how to work in a team environment.

### QUALIFICATIONS:

- 1 season of relevant experience is preferred however, those without experience are still encouraged to apply
- Willing to work in the field in camp settings
- Works well on a team
- Safe working mindset
- Valid Class 5 driver's license
- Preference will be given to those candidates eligible for registration with the Association of BC Forest Professionals (ABCFP)

### RESPONSIBILITIES:

- Block boundary and road layout
- Timber reconnaissance
- Timber cruising
- Riparian assessments
- Ecological data collection
- GPS data collection and road traversing
- Engineered Cost Estimates

DWB offers a competitive salary, health benefits package and a moving allowance to assist with travel expenses (where applicable), as well as, an annual Christmas bonus. DWB covers the cost of annual professional dues and professional development courses for full time staff. DWB sponsors annual company trips for their staff including, fishing charters, hunting trips, wine tours and more!

Please email a resume (with references) and cover letter to the below email with "Forest Technician" in the subject line.

**Laura Kozak, RPF, RPBio**
