

DWB Consulting Services Ltd.

Engineering | Environmental | Forestry

## Let's make it happen.

DWB is a dynamic, multidisciplinary consulting firm that specializes in offering a full suite of value-added environmental, engineering and forestry services to our clients in Western Canada. Since 1990, DWB has grown from a small family run business to a multi-faceted company with over 150 staff in offices throughout British Columbia.

Visit our website to learn more about the company.

## Employment Opportunity: **FORESTRY FIELD STAFF**

DWB is seeking applications for Forestry Field Staff positions based out of our Williams Lake office. Positions are available starting immediately. As this is a field position, you must be ready to show your tough side. You will be working long hours in remote locations, often under adverse weather conditions, but you will learn a lot about yourself and how to work in a team environment.

### QUALIFICATIONS:

- 1 season of relevant experience is preferred; however, those without experience are still encouraged to apply
- Willing to work in the field in camp settings
- Works well on a team
- Safe working mindset
- Valid Class 5 driver's license
- Preference will be given to those candidates eligible for registration with the Association of BC Forest Professionals (ABCFP) or working towards registration

### RESPONSIBILITIES:

- Block boundary and road layout
- Timber reconnaissance
- Timber cruising
- Riparian assessments
- Ecological data collection
- GPS data collection and road traversing
- Road upgrade surveys

DWB offers a competitive salary, travel allowance and a year end bonus. For full time, eligible employees, we also offer a health benefits package, moving allowance, professional association fee compensation and continuing education opportunities. DWB sponsors annual company trips for their full time employees including ocean fishing charters, Okanagan wine tasting tours, fly-in remote hunting trips and more!

Please email a resume (with references) and cover letter to the below email with "Williams Lake Field Staff" in the subject line.

**Laura Kozak, RPF, RPBio**
