Employment Opportunity for Forestry Supervisors Summer 2022

Now hiring for Forestry Supervisor Positions in our Prince George, Burns Lake and Chetwynd offices

DWB is seeking applications for **Forestry Field Supervisor Positions** in our northern divisions. We are looking to fill experienced field staff positions. We have full time and seasonal (6-8 months) opportunities available beginning in May 2022.

DWB can offer you a very solid foundation to launch your forestry career. The successful candidate will have a minimum of 2 years' experience in layout and/or timber cruising and a valid Class 5 driver's license. Preference will be given to those candidates eligible for registration with the Association of BC Forest Professionals (ABCFP).

Responsibilities and Tasks May Include:

- Supervising Junior Field Crews
- Quality Control
- Layout
- Timber Cruising
- Riparian Assessments
- Site Plan Data Collection
- Timber Reconnaissance
- Project Reporting

DWB offers a competitive salary and health benefits package. Where applicable, DWB offers a moving allowance to assist with travel expenses for summer or full-time work (claimed only after 3 months of employment). DWB offers a year-end employee bonus subject to company policy. DWB also covers the cost of annual professional dues and professional development courses for full time staff.

As this is a field position, you must be ready to show your tough side. You will be working long hours in remote locations often under adverse weather conditions. We promise, living in field camp and working in the field will provide you with stories you share around many tables. The positions are physically and mentally demanding, but you will learn a lot about yourself, and how to work in a team environment.

Closing Date for receipt of resumes: January 31, 2022.

Please email cover letter and resume (with references) to: Laura Kozak, RPF, RPBio
E-Mail: lkozak@dwbcconsulting.ca

DWB would like to thank all those that apply but will only be contacting those candidates who are short-listed for an interview. Please submit a resume and cover letter to the email listed above with "Forestry Supervisor Application" in the subject line.

We look forward to hearing from you and being part of your summer adventures.
