

GIS SPECIALIST

Domtar Inc., Dryden Pulp Mill Operations, which manages the Trout Lake and Wabigoon Sustainable Forest Licenses with combined area of approximately 1.7 million hectares, is seeking an individual to join our Forestry Team. A progressive community set between Winnipeg and Thunder Bay, Dryden offers excellent medical, educational and recreational facilities.

Reporting to the Forest Management Superintendent, this position provides leadership and expertise in the management and delivery of information services to the forestry team and maintains the integrity of forestry information databases and information system.

Key Responsibilities

- Strategic leadership and management of a Geographic Information System.
 - Sourcing new technology, training, optimizing workflows, budgeting.
- Improve and maintain the integrity of the GIS data.
- Provide leadership, guidance, and support to operational and planning teams for information technology needs.
- Perform complex mapping and data analysis tasks, including spatial analysis, geo-processing, developing scripts and models (model builder / Python).
- Design, develop, and manage ArcGIS Server geodatabase including versioning, schematic changes, permissions etc.
- Support team in managing and processing data for use in analysis and reporting.
- Produce and maintain operational map templates.

Qualifications

- Post-secondary education in Forestry and/or IT/GIS, or equivalent experience.
- Demonstrated focus on delivering business results in a timely manner.
- 3-5 Years Geographic Information System (GIS) experience.
- Strong analytical skills and geo-processing experience.
- Knowledge of the Ontario Forest Management Planning requirements e.g., FIM, FMPM is a definite asset.
- Excellent organization, communication, and team skills.
- Experience with ArcGIS Server, server management, and SQL server would be a definite asset.
- Experience with ArcGIS Online, Survey 123, and Field Maps is an asset.
- Strong beliefs and behaviours in safety, professional ethics and environmental values.

If you are interested in an opportunity to work with an organization that is an Equal Opportunity Employer and offers a full range of employee benefits and a competitive wage package, consider joining our Team. Please apply online and attach your cover letter and resume, in confidence by **12:00pm CDT on October 11th, 2022.**
