

Dunster Community Forest

General Manager

The Dunster Community Forest Society is searching for a General Manager that will oversee the operations of both its Community Forest License and its subsidiary wood products manufacturing company, BRKH Custom Woodworks, Ltd. The Dunster Community Forest is located in the Robson Valley of east central British Columbia surrounding the small community of Dunster. The overall mission of the DCF is to provide local management of the local forestry resources for the benefit of the Dunster community and the Robson Valley. The AAC consists of approximately 8,000 m³ of mixed coniferous timber plus 2,000 m³ of deciduous timber, with selected timber from the cut being processed by BRKH. This is a part-time contract position requiring approximately 20 to 30 hours per week on a flexible schedule.

This is an ideal position for a forester who is an outdoor enthusiast, as there are ample opportunities for both winter and summer recreation in the rugged Cariboo and Rocky Mountains that surround the Dunster community.

Applicants must have:

- Registration with the Association of BC Forest Professionals (ABCFP) or working toward registration (RPF or RFT);
- A valid Class 5 driver's license;
- Knowledge of BC Provincial Forestry regulations;
- Be physically fit and able to conduct field work on steep slopes; and
- Proficiency in data management and administrative tasks.

Applicants who have these additional qualifications will be given priority:

- Familiarity with wood products manufacturing;
- General business planning and finances;
- Experience working with First Nations communities; and
- Experience with community engagement.

The General Manager will be expected to operate in accordance with the Policies and Bylaws of the Dunster Community Forest Society.
