

## **Silviculture Surveyor(s)**

Erafor Forestry Ltd. is an integrated and progressive natural resource consulting firm located in Prince George, BC. At Erafor, we specialize in a variety of technical, mapping, and professional natural resource services, and have been delivering quality products and services to our clients for over 25 years. Current projects include forest fertilization, site rehabilitation, planting administration, stand tending, silviculture surveys, timber reconnaissance, block layout and GPS, road restoration, and helicopter stand reconnaissance.

Erafor is currently looking to secure employees for April or May 2022 due to expanding opportunities. Part time (4 to 8 month) positions are available. Seasonal staff will be involved in a variety of activities and will gain experience in all of our current projects while reporting to a senior staff member.

The ideal candidate(s) should:

- Have a knowledge of the B.C. forest regulatory framework (Forest Act, FRPA)
- Have a working knowledge of GPS traversing, cutblock layout, and road layout/design
- Have a working knowledge of silviculture surveys, and silviculture treatments
- Have excellent oral, written and interpersonal communication skills
- Have a working knowledge of ArcGIS
- Be self-motivated, and a team player
- Be comfortable working independently

Qualifications:

- Preference will be given to applicants who are in or have completed a post secondary degree or diploma program in a Natural Resource discipline or a related area of study. An equivalent of work experience and training will be considered
- Preference will be given to applicants with an Accredited Silviculture Surveyor Certificate
- Registration or eligibility for registration with the Association of B.C. Forest Professionals is preferred
- Must be willing to work in remote locations in all weather conditions with the possibility of some travel and camp work

Rates of pay will be commensurate with experience. Erafor Forestry Ltd. offers a competitive benefits package. Applicants must be eligible to work in Canada. Only those candidates considered suitable for the position will be contacted.
