

Forest Technologist(s)

Erafor Forestry Ltd. is an integrated and progressive natural resource consulting firm located in Prince George, BC. At Erafor, we specialize in a variety of technical, mapping, and professional natural resource services, and have been delivering quality products and services to our clients for over 25 years. Current projects include forest fertilization, site rehabilitation, planting administration, stand tending, silviculture surveys, timber reconnaissance, block layout and GPS, road restoration, and helicopter stand reconnaissance.

Erafor is currently looking to secure both full time and seasonal (4 or 8 month term) employees with start dates available immediately, or for the next field season (May 2023). Field staff will be involved in a variety of activities and gain experience working on all projects while reporting to a senior staff member. Erafor is looking for motivated, driven individuals who love to work in the outdoors and are looking to expand their knowledge of the forest industry.

The ideal candidate(s) should:

- Have a knowledge of the B.C. forest regulatory framework (Forest Act, FRPA)
- Have a working knowledge of GPS traversing, cutblock layout, and road layout/design
- Have a working knowledge of silviculture surveys, and silviculture treatments
- Have excellent oral, written and interpersonal communication skills
- Have a working knowledge of ArcGIS
- Be self-motivated, and a team player
- Be comfortable working independently

Qualifications:

- Preference will be given to applicants who are in or have completed a post secondary degree or diploma program in a Natural Resource discipline or a related area of study
- Registration or eligibility for registration with the Association of B.C. Forest Professionals is preferred, although this is not required
- Must be willing to work outdoors in all weather conditions with the possibility of some travel and camp work
- Must have a valid Class 5 driver's license

Rates of pay will be commensurate with experience. Erafor Forestry Ltd. offers a competitive benefits package, as well as a casual, friendly, and supportive work environment. Applicants must be eligible to work in Canada. Only those candidates considered suitable for the position will be contacted.
