

Forestry Supervisor – Mackenzie BC

The Company: Finlay Forest Management specializes in full phase forestry development and management solutions. Our company provides a unique opportunity for a diverse work experience and an exciting career path. We are a joint venture between Chu Cho Forestry, a First Nation owned forestry company which manages Tsay Keh Dene's forestry tenures and KDL Resource Management, a forest management company with extensive experience and expertise delivering a comprehensive suite of high-quality professional forestry services. Our objective is to be the dominant provider of top-quality services to Government, Industry and Indigenous clients within the Mackenzie TSA. Our team offers a challenging and rewarding experience in a respectful, safe, and healthy work environment.

The Position: As a **Forestry Supervisor**, based out of our Mackenzie, BC office, you will play a leadership role in supporting and executing forest management activities, including cut-block development and forest planning initiatives.

Key Responsibilities

- Lead and supervise multiple forestry crews to ensure projects are completed safely and efficiently.
- Oversee and implement timber development projects.
- Complete forestry-related tasks including permitting, regulatory compliance, and technical report writing.
- Liaise with the Ministry of Forests (MOF), clients, First Nations, and other key stakeholders.
- Contribute to continuous improvement initiatives focused on safety, quality, and operational productivity.

You will have a direct impact on the land base while working for a company that is continually looking to improve our practices while maximizing our economic and social benefit. You will work with First Nations and other stakeholders to adapt our operations to land values. This is your opportunity to join a rapidly growing First Nation owned forestry company that is positioning itself to be a leader in the forest industry.

Skills and Experience:

- Registrant with Forest Professionals British Columbia
- 3 years plus of previous experience in related work
- Proficient knowledge of Forest Legislation, Regulations and Guidelines
- Ability to work under pressure with tight deadlines, and attention to detail
- Must operate with professional independence and strong communication
- Excellent verbal and written communication skills using different media
- Demonstrate an ability to think critically and effectively problem solve
- Safe work mindset is required

Location Perks: For those who love to live and play where they work –The Mackenzie regions offer a bounty of recreational activities including- fishing, hunting, hiking, mountain biking, running, skating, snowshoeing, cross-county skiing, downhill skiing, curling, ATV, snowmobile, horseback riding, boating, camping, music/art festivals and more! Visit our local websites for more information: www.finlayforestmanagement.ca, www.mackenziechamber.bc.ca & <https://districtofmackenzie.ca>

Benefits: Wages range from \$35-40/hr with overtime. We offer a competitive compensation package including benefits and on-going professional mentoring and training. Work in a professional group with exposure to a broader forestry and operational logging context with a diverse range of Industrial, Indigenous and Government clients.

Finlay Forest Management is made up of a team of passionate and dedicated forestry professionals. We believe that the future of forestry needs ethical, sustainable, and modern solutions. It also needs talented individuals like yourself. We treat you like family, and in our industry, there's an endless stream of opportunities waiting for you.
