

a division of **Dunkley Lumber Ltd.** is seeking a highly motivated and energetic individual to join our team as a

Control Systems Specialist

Foothills Forest Products is a two-line softwood-lumber sawmill and planer facility that is currently undergoing optimization. Our facility is located 20 km south of the beautiful mountain community of Grande Cache, Alberta. We produce high quality lumber products that are sold across North America and in overseas markets. Please visit our website at www.dunkleylumber.com to find out more about us.

We currently have an opening for a Control Systems Specialist.

The ideal candidate for this position will hold an Engineering Technologist Diploma or BSc in Computer/Electrical Engineering. You should also possess a strong programming background, be well versed in ladder logic programming and capable of interpreting and correcting real-world problems through code. Successful completion of Industrial Control Systems courses would be an asset, complimented by experience with Microsoft products and the following:

- RSLogix 5, Studio 5000, RMCWin/RMCTools, RSView32, FactoryTalk View ME/SE programming software
- Devicenet, Ethernet/IP, DH+, RIO networks
- ControlLogix, PLC-5 Control Systems
- Delta RMC, QB Setworks Controllers
- Allen-Bradley PowerFlex 750-Series Drives and Legacy
- Mitsubishi drives
- Modicon PLCs

The successful candidate will form an integral part of our maintenance team. You will be involved in evaluating existing process controls as well as establishing new control systems from initial design to startup.

This position offers a highly competitive wage and benefits package and rewarding opportunities to grow along with an industry-leading company.

If you possess the noted qualifications and are interested in joining our company, please submit your resume prior to January 22nd, 2021, via email to:

Email: "reception_ffp@dunkleylumber.com"

Subject: Control Systems Specialist

Grande Cache and area offers an outdoor lover's paradise; camping, fishing, hunting, and outdoor motorsports are all right outside your door. Our community also offers most of the facilities you would expect such as a newly renovated recreational complex, elementary / high schools and several quality businesses and restaurants. For more information on what our community and area have to offer, visit www.grandecache.ca.

We thank all applicants in advance, however, only those selected for an interview will be contacted.
