

a division of **Dunkley Lumber Ltd.** is seeking a

highly motivated and energetic individual to join our team as a

Chief Power Engineer / Kiln Coordinator

Foothills Forest Products is a two-line softwood-lumber sawmill and planer facility that is currently undergoing optimization. Our facility is located 20 km south of the beautiful mountain community of Grande Cache, Alberta. We produce high quality lumber products that are sold across North America and in overseas markets. Please visit our website at www.dunkleylumber.com to find out more about us.

We currently have an opening for a Chief Power Engineer / Kiln Coordinator. Foothills Forest Products operates a dual-cell 40 MMBTU wood-fired boiler to heat its dry-kilns and operating facilities. In addition to directing the operation of this energy plant, the successful candidate will provide leadership in several services including kiln management, emergency response & mobile equipment operations, involving a team of 4 or more direct reports. We are looking for an extremely motivated, safety conscious individual to join our team.

The successful candidate will possess the following technical skills and experience:

- Must possess a valid ABSA 4th Class (or better) Power Engineer Certificate.
- Technical knowledge related to wood-fired thermal-oil energy plants.
- Experience in drying processes, preferably kiln drying of softwood lumber.
- Ability to operate mobile equipment (front-end loader, skid-steer, forklift).
- Ability to effectively lead a team providing 24/7/365 operations, executing the same duties described above.
- Substantial industrial experience preferably from the wood products industry.
- Extremely detail oriented with a quality / precision mindset.
- Exceptional inter-personal and communication skills.
- Strong analytical trouble shooting skills.
- Must possess the ability to work on several priorities concurrently under time constraints.
- Very strong commitment to Safety.

This position offers a highly competitive wage and benefits package and rewarding opportunities to grow along with an industry-leading company.

If you possess the noted qualifications and are interested in joining our company, please submit your resume prior to August 20th, 2021, via email to:

Email: "reception_ffp@dunkleylumber.com"

Subject: Chief Power Engineer / Kiln Coordinator

Grande Cache and area offers an outdoor lover's paradise; camping, fishing, hunting, and outdoor motorsports are all right outside your door. Our community also offers most of the facilities you would expect such as a newly renovated recreational complex, elementary / high schools and several quality businesses and restaurants.
