## Yard Supervisor

Foothills Forest Products is a two-line softwood-lumber sawmill and planer facility that is currently undergoing optimization. Our facility is located 20 km south of the beautiful mountain community of Grande Cache, Alberta. We produce high quality lumber products that are sold across North America and in overseas markets. Please visit our website at [www.dunkleylumber.com](http://www.dunkleylumber.com) to find out more about us.

We currently have an opening for a Yard Supervisor; we are looking for an extremely motivated, safety conscious individual to join our team. The successful candidate will provide leadership in logyard, lumberyard, all yard operations including safety, environment, and ground conditions. The Yard Supervisor has authority and responsibility for all mobile equipment operators, yard cost management, consumption and inventory management, continuous improvement (mobile equipment operations, material utilization, etc.) initiatives, and accurate reporting.

The successful candidate will possess the following technical skills and experience:

- Must possess a valid Class 5 Driver's License.
- Substantial industrial experience preferably from the wood products industry.
- Extremely detail oriented with a quality / precision mindset.
- Exceptional inter-personal and communication skills.
- Strong analytical trouble shooting skills.
- Must possess the ability to work on several priorities concurrently under time constraints.
- Demonstrated aptitude and technical knowledge relative to leading people, managing mobile equipment, compliance in yard management plans, and managing multiple inventories (logs, lumber, residuals).

This position offers a highly competitive salary and benefits package and rewarding opportunities to grow along with an industry-leading company.

If you possess the noted qualifications and are interested in joining our company, please submit your resume via email to:
