

## Forest Management Professionals

Forbidden Timber Ltd. is a Comox Valley-based tenure management company that centers its work around safe, sustainable, and profitable forest practices in BC's Coastal Forest region. We have long-term tenure management agreements for full-phase forest services including tenure acquisition, total chance planning, engineering, permitting, road building supervision and management, harvesting supervision, timber procurement agreements and delivery, timber evaluation, and silviculture management through free-to-grow.

Forbidden Timber is growing and looking for motivated self-starters for the following positions: Senior Engineer, Forester, and Junior Engineer. The successful candidate(s) will work closely with the Operations Manager to manage all phases of the various operations. This position will require a mix of field and flexible office time.

### **The Ideal Candidate:**

- Is physically fit and capable of working in coastal terrain
- Possesses a minimum of 2- 5 years of Coastal Forest experience
- Proficient in using Forestry software
  - mapping/GIS software (ArcGIS)
  - Road Eng
  - Enfor
  - Snap
- Has completed an accredited post-secondary forestry program
- Is eligible for or currently registered with the ABCFP
- Is willing to work in remote areas (camp/lodging provided)
- Must be organized, have good communication skills, and be able to work under Minimal supervision
- Possesses a proven track record in proforma development and accountability
- Has experience in forecasting and budgeting (Senior Eng /Forester)
- Holds a valid class 5 Driver's License and clean abstract (no exceptions)
- Holds a valid OHS Level 1 with transport endorsement (preferred)
- Embraces safety and leads by example

Compensation includes an industry-competitive wage, Group Health and Benefits, Employee and Family Assistance Program, and periodic Bonus programs are just some of the benefits of joining Forbidden Timber's team.

Please forward your cover letter and resume to [Safety@Forbiddentimber.ca](mailto:Safety@Forbiddentimber.ca) with "Senior Engineer", "Forester", or "Junior Engineer" in the subject line.

This posting will remain open until filled.
