

## LOGGING / SAWMILL CONTROLLER

Located in central British Columbia, this successful forest products company has an immediate need for an experienced accountant. Reporting to the senior management, the Controller, with the assistance of competent support staff, will be responsible for all accounting functions for the woodlands and sawmill operations.

The location will be of interest to persons who enjoy residing in a friendly welcoming community surrounded by a pristine environment of lakes and mountains providing the very best of outdoor lifestyle. All within close proximity to a major city.

Candidates will have accounting experience in sawmill and logging operations. While a recognized accounting designation is preferred, other persons with the experience / ability are encouraged to apply.

The company offers a remuneration range above \$90,000; a relocation package; benefit package; and a team oriented work environment.

Interested persons should forward resumes or for further information, please contact:
