

Director of Planning and Strategic Relationships

One of Coastal British Columbia's largest forest management and services companies has a senior management career opportunity for a Director of Planning and Strategic Relationships. You will provide a leadership role in a service driven team with overriding commitment to consistently delivering value to their clients. This long established and well managed industry leader provides timber harvesting, tenure management, road construction and associated services to a broad and growing client base.

The Director of Planning and Strategic Relationships will be responsible for planning, engineering, stumpage management, silviculture compliance, FN referral and forecasting. Interested persons will likely have the following qualifications:

- Membership or qualified for membership in the Association of British Columbia Forest Professionals (ABCFP)
- A successful career in the Coastal BC forestry services industry with experience relative to this position
- Proven team building and management competence with excellent communication skills
- Experience negotiating with the Province and participation with the ABCFP in some manner

The remuneration package reflects the importance of this senior position.

Interested persons should forward resumes or for further information, please contact:
