

Custom Wood Products – Sales Rep

Swiftsure is a leading manufacturer of custom millwork using the highest quality hardwood, softwood and exotic species available. Using 'state-of-the-art' equipment, they provide unsurpassed quality in architectural wood products and services to industry leading Millworkers, General Contractors, Architects and Design Firms. Swiftsure strives to exceed customer expectations from initial consultation to final delivery.

From the manufacturing plant and offices in Surrey, BC and in direct on-site contact with clients, the Sales Representative represents a skilled team with over 25 years' experience in sourcing and milling high-end wood products to exacting specifications. You will be working with leading contractors, architects and design firms; grow existing customer sales; and develop new clientele.

Candidates will have experience in wood products sales either for a manufacturing operation or in distribution sales. Ideally you may have experience in sales to luxury home designers and builders. Remuneration will include a base salary, commission and provision of a company vehicle and expenses.
