

HEAVY DUTY MECHANIC / MILLWRIGHT

Centurion, a highly diversified company, manufactures commodity and value added wood products on Vancouver Island and in the BC Interior; has a growing trucking business; and manages a sales group that markets wood products around the world.

This maintenance position will be centered at the Chemainus, BC and provide maintenance and repair services to the company's truck fleet, forklifts and other equipment. Depending upon the skills and experience, the incumbent may also be involved in some aspects of supervision.

Candidates will likely have heavy duty mechanic or millwright trade qualifications or equivalent experience as well as experience in the maintenance/repair of trucks, flatbeds and related equipment.

This is a great opportunity. Reside in welcoming seaside communities such as Duncan, Chemainus, Ladysmith or Nanaimo that provide the very best of the west coast lifestyle.
