

Silviculture Technicians

Salmon Arm, Kamloops, and 100 Mile House

Forsite Consultants Ltd, an innovative forest and land management company with 10 locations across Canada, has current openings for **Silviculture Technicians** at our **Salmon Arm, Kamloops, and 100 Mile House** locations, in the Interior of British Columbia.

At Forsite, we excel at being a flexible, adaptable, people oriented team that offers its employees stability, promotion, and on the job development. We offer challenging and fulfilling careers with industry leading compensation. If you are a forest professional or pursuing a career in forestry and live in, or have a desire to relocate to, **Salmon Arm, Kamloops, or 100 Mile House**, then you will find these positions attractive.

Term:

- ▶ These positions are either permanent full-time, seasonal (late April to November), or summer, subject to applicant qualifications, experience, and availability. Applicants with extensive silviculture experience, or timber development experience, will be considered for permanent full-time positions.
- ▶ These positions are also open to forestry students that are looking for summer employment.

Role:

- ▶ As a Silviculture Technician, you will be responsible for applying your technical skills and knowledge when conducting silviculture projects, including tree planting implementation, silviculture surveys, treatment area layout, field assessments, and reporting.

Preferred Qualifications:

- ▶ Direct silviculture work experience;
- ▶ Planting supervision and/or planting pay plot experience;
- ▶ Silviculture survey experience;
- ▶ Silviculture Surveyor Accreditation would be an asset. Candidates that aren't Accredited Silviculture Surveyors will be considered for additional in-house support, towards achieving accreditation.
- ▶ Diploma or degree in a relevant discipline, or currently enrolled in a post-secondary forestry program;
- ▶ Registered with the ABCFP or enrolled as a FIT or TFT;
- ▶ Timber development experience would be an asset; and
- ▶ Valid driver's license and a safe driving record.

Candidates should also demonstrate the following qualities:

- ▶ A passion for forestry;
- ▶ Motivated, with a strong work ethic, and strong supervisory skills;
- ▶ Experience working outdoors in all weather conditions;
- ▶ Strong communication skills, both verbal and written;
- ▶ Good problem solving and decision making skills; and
- ▶ Ability and desire to work in a team environment.

Forsite is looking for the most suitable individual for the position available with the skills and knowledge to effectively complete the duties required of the position. Applications are welcome from anyone. At Forsite, we foster and sustain an environment of diversity & inclusion where everyone can reach their full potential. The position may lead to full time employment and as such, would qualify for our benefits and pension program.

Our number one priority is the health and safety of our employees and their families, our communities, and our clients. Proof of vaccination for COVID-19 is a condition of employment. If you are unable to be vaccinated for proven medical reasons or sincerely-held religious beliefs, we will consider requests for reasonable accommodation consistent with our policy, and where we are able to provide such accommodations without undue hardship to the company pursuant to applicable law.

We thank all applicants for their interest, however, only candidates selected for interviews will be contacted.
