

Senior Forest Technician

With 9 locations throughout Canada, Forsite Consultants Ltd. is a leading provider of integrated forest land development and management services to clients across Canada and the world. Our staff are industry leaders in forestry technology, strategic planning, resource and land management and professional forestry. Our company is comprised of business units which focus on different components of the forest management process.

We're committed to growth and innovation and maintaining a safe, respectful and flexible working environment. At Forsite you will work alongside a team of qualified professionals utilizing industry leading forestry technologies. We pride ourselves on fostering personal growth and development of staff through opportunities for continuous learning, training and professional accreditation. We offer competitive compensation packages with comprehensive benefits for full-time employees.

LOCATION

- ▶ Prince Albert, SK

ROLE

Under the direction of a Senior Planner, the **Senior Forest Technician** is responsible for forest development activities including reconnaissance road/cutblock design, ecological and riparian assessments, and completing the associated data collection files, deliverables, and reconnaissance packages in a safe, timely, cost effective and professional manner. This position is predominately field duties with limited office duties.

REQUIREMENTS

- ▶ Post-secondary education with a diploma or degree in forestry.
- ▶ Broad understanding of, and experience in, general forestry practices and operational forest planning.
- ▶ Registered, or eligible for registration, with the Association of Saskatchewan Forest Professionals.
- ▶ Minimum of 3 years of timber development experience in Western Canada.
- ▶ Valid driver's license with a clean abstract.

IN ADDITION, ALL CANDIDATES SHOULD DEMONSTRATE THE FOLLOWING:

- ▶ Enthusiasm and a passion for both forestry and working outdoors.
- ▶ A professional, friendly and courteous manner, being service & team oriented.
- ▶ Ability to work both independently under limited direct supervision as well as in a dynamic team environment.

HIGHLIGHTS

- ▶ Full-time, hourly position with overtime paid after 8 hours.
- ▶ Competitive remuneration package with a comprehensive benefits and pension package.
- ▶ Dynamic, positive, team-orientated work environment.
- ▶ Excellent career growth opportunities.
