

# EMPLOYMENT OPPORTUNITY

**Fort St. James Forest Products**, a division of Hampton Lumber Mills, has a challenging opportunity for an innovative and highly motivated individual as a

## LOGGING AND FIELD OPERATIONS SUPERVISOR

As a member of the Woodlands Team, based out of Fort St. James, BC, you will be responsible for the ongoing supervision, coordination of logging and road construction operations and other forestry related activities to ensure the safe and timely delivery of logs to our sawmill in Fort St. James.

Key responsibilities and duties will include:

- Overseeing and supervision of logging and road construction and maintenance contractors
- Implementing Hampton's safety, environmental and forest certification plans
- Government, community and First Nation's Liaison
- Monthly and annual work scheduling and corresponding budget preparation.
- Contractor rate negotiations for logging and road maintenance contracts
- Assisting in coordinating forestry and silviculture activities

The ideal candidate is a team-oriented individual with the following qualifications:

- Registered (or eligible for registration) as a Forest Professional with the ABCFP.
- Strong communication and interpersonal skills
- Able to work independently and in a team environment, both in the field or the office, on a number of diverse tasks.
- Proven analytical, organizational and project management skills
- A sound understanding of what is fundamentally required for safe, productive and environmentally effective forest operations.

Hampton Lumber Mills provides a competitive salary with full benefits. Qualified applicants should Email their resumes to [#HRCanada@Hamptonlumber.com](mailto:#HRCanada@Hamptonlumber.com) prior to 4:00pm September 17, 2021.

We thank all candidates for their interest, however, only those selected for an interview will be contacted.
