

WE ARE HIRING!

We're looking for motivated individuals to apply for our Forestry Technician position. We are looking for a full-time or seasonal Forestry Technician working in various areas around Nipawin, Saskatchewan. Shift work will be involved, open to flexible schedules.

Qualifications and Experience

- 3+ years of experience working in the forestry sector is required
- Formal education in Forestry; RFT, RPF or ATC required
- Registered or eligible for registration with ASFP
- Physically fit with the willingness to work under adverse weather and terrain is required. This position will require extended walking through rough terrain
- Valid class 5 driver's license with a clean driver abstract and 4x4 vehicle is required
- ATV and Snowmobile experience is required
- Knowledge and experience using GPS Units required.
- Experience with ArcMap, and Arc Collector is an asset
- Drug testing may be required
- Independent and driven with a willingness to work alone
- Highly motivated and willing to work hard
- Flexible with a willingness to work in varying locations
- First Aid, WHIMIS, TDG and ATV safety will be required but can be provided

What We Offer You

- Shift work with flexibility and the opportunity to design your own schedule
- Opportunities to advance your career and develop your management experience
- Hourly and production based pay, and Kms for vehicle usage

If this opportunity interests you, please send your resume to careers@forteck.ca. Please note that due to a high volume of applicants, only those who are qualified will be contacted to continue through our recruitment process.
