

Position: GIS Analyst (2) - Senior & Intermediate

Location: Qualicum Beach & Duncan, BC

Job Type: Full Time

Generous Forest Services (Genfor) is a full phase natural resource management company based out of Southern Vancouver Island. Our headquarters is located downtown Duncan with satellite offices in Port Alberni and Qualicum Beach. Genfor provides forest engineering, silviculture site plans, timber evaluation, GIS analysis and LIDAR drone services across coastal British Columbia. Our expanding client base includes community forests, woodlots, tree farm licenses, private land-owners and First Nation tenures. Genfor's mission is to provide professional services while maintaining a safe and respectable work environment for our employees.

Genfor is seeking (2) GIS Analysts to join our growing mapping and data analysis team. The ideal candidates will be self-motivated and work well independently or as part of our professional team.

Preferred Qualifications:

- Post-secondary education with a degree / diploma in forestry or Advanced GIS
- Extensive experience with ESRI ArcGIS and Cengage products (Land Resource Manager)
- Minimum of 2 years' experience in forest engineering, timber development or silviculture
- Thorough understanding of Trimble GPS data collection, correction and integration
- Working knowledge of LiDAR applications and RoadEng
- Well organized with strong written and oral communication skills
- A valid BC driver's license

Additional Skills:

- **M300RTK / GVI V70 Drone programming, Lidar360 / Pix4D photogrammetry processing and flight navigation with Transport Canada Basic Pilot License**
- Background in silviculture surveying and reporting
- RESULTS and FTA submissions considered an asset
- An opportunity to work part-time outdoors is also available to interested qualified candidates
- Knowledge in network administration and troubleshooting

Applicants who are registered members, or are eligible for registration, with the ABCFP as an RFT or RPF are preferred.

A commuter vehicle is available for employees residing in the mid-island Nanaimo area travelling to Duncan.

Please apply in confidence by forwarding your resume and cover letter by email to:
