

Position: Forestry Summer Students (2)

Location: Southern Vancouver Island

Generous Forest Services (Genfor) is a full phase natural resource management company based out of Southern Vancouver Island. Our headquarters is located downtown Duncan with satellite offices in Port Alberni and Qualicum Beach. Genfor provides forest engineering, silviculture site plans, timber evaluation, GIS analysis and LIDAR drone services across coastal British Columbia. Our expanding client base includes community forests, woodlots, tree farm licenses, private land-owners and First Nation tenures. Genfor's mission is to provide professional services while maintaining a safe and respectable work environment for our employees.

Genfor is seeking (2) additional Forestry Summer Students to join our growing engineering and silviculture field teams. The ideal candidates will be self-motivated and work well independently or as part of our professional team. A commuter vehicle is also available for those residing in the mid-island Nanaimo area.

Preferred Qualifications:

- Enrolled in a Forestry Degree or Technical Diploma program
- Prior knowledge of forest engineering, timber development or silviculture surveying
- Experience with Trimble GPS technology, Roadeng , MS Office or ArcGIS would be considered an asset
- Working knowledge of LiDAR applications
- Well organized, physically fit and possess good communication skills
- A valid BC driver's license with a clean abstract
- Level 1 Occupational First Aid

These positions being offered are for local employment (Monday to Friday excluding holidays) and do not require a commitment to camp shifts.

We would like to thank all applicants for their interest in the above positions however, only those considered for an interview will be contacted.

Please apply in confidence by forwarding your resume and cover letter by email to:
