

Assistant Forest Engineers **Vancouver Island, BC**

Generous Forest Services (Genfor) is a forest consulting company providing forest engineering consulting services to coastal British Columbia. Genfor clients include private land-owners, major licensees, First Nations and government agencies.

We are currently looking for experienced Assistant Forest Engineers to join our team on southern Vancouver Island.

Qualifications:

- Post-secondary education with a degree or technical diploma in forestry
- Knowledge of forest engineering, timber development and harvest planning
- Must be well organized, physically fit, have good communication skills and be self motivated
- Experience with Trimble GPS technology, Roadeng , MS Office and ArcGIS
- A valid BC drivers license

Applicants who are registered members, or are eligible for registration, with the ABCFP as an RFT or RPF are preferred.

We would like to thank all applicants for their interest in the above position however, only those considered for an interview will be contacted.

Please apply in confidence by forwarding your resume and cover letter by email to:
