

## Duncan, BC

### GIS Analyst / Assistant Forest Engineer

**Generous Forest Services (Genfor)** is a forest consulting company with operations in Duncan, Port Alberni and Campbell River providing forest engineering consulting services to coastal British Columbia. Genfor clients include private land-owners, major licensees, First Nations and government agencies.

We are currently seeking a permanent full time GIS Analyst / Forest Engineer to join our team in Duncan on Vancouver Island.

#### **Qualifications:**

- Post-secondary education with a degree or technical diploma in forestry
- Registered (or eligible) with the Association of BC Forest Professionals.
- Minimum 2 years of forest engineering experience.
- Working knowledge of forest engineering and timber development.
- Strong skills & knowledge working within Western Forest Products, TimberWest and Island Timberlands GIS systems.
- Experience with LiDAR, Trimble GPS technology, RoadEng and Esri Products.
- IT & network administration would be an asset.
- Must be well organized, physically fit, have good communication skills and be self motivated
- A valid BC drivers license

Please apply in confidence by forwarding your resume and cover letter by email to:
