

Natural Resource Professional

Multiple positions in Edmonton Grande Prairie, Prince George & Fort St. John

GeoVerra is currently seeking to fill several Junior and Senior Natural Resource Professional positions to support our Geomatics team, located in our British Columbia or Alberta locations (Prince George, Fort St. John, Grande Prairie or Edmonton).

You + GeoVerra

As a Natural Resource Professional in our Forestry & Environment team, you will play an integral role in our growing operation.

- Assist on a range of planning & operations-oriented projects in the office and field
- Scout and assess sites for timber volumes and valuation, forest health, wetlands, wildlife, and associated regulatory standards for oil & gas, utility, & forestry clients in Alberta and BC
- Stakeholder consultation & consenting
- Regulatory applications in Alberta & BC
- Assess hazard trees on powerline right-of-way
- Technical writing and environmental report preparation
- GIS data creation, attributing, and mapping

Qualifications:

Junior Natural Resource Professional (AB or BC):

- Diploma or Degree in Forestry or related Natural Sciences
- Experience working in the field in British Columbia or Alberta
- Professional designation or registration with a natural resource profession an asset
- Hold a valid Class 5 driver's license with clean driving record (driver's abstract required at your expense)
- Ability to work in a fast paced, dynamic environment with a strong work ethic and a drive to exceed expectations
- Collaborative attitude, ability to excel in a team and independent environment
- Commitment to customer satisfaction through problem solving, critical thinking and decision making
- Strong field skills including ATV, UTV, snowmobile, working in remote areas in all seasons
- Excellent communication (verbal and written), interpersonal, and conflict resolution skills
- Superior attention to detail to produce professional deliverables & documentation
- Technical, mathematical, scientific, and computer skills including ESRI ArcGIS experience & field GPS

Senior Natural Resource Professional (BC):

- 5+ years experience in operational forestry or industrial clearing supervision

- Able to perform field work safely and efficiently throughout Alberta and BC
- Professional Designation or Eligibility in British Columbia for RPF or RFT (ABCFP)
- Demonstrated experience with professional report writing
- Proficient computer skills with Microsoft office products and ESRI GIS software
- Ability to work in a fast paced, dynamic environment with a strong work ethic and a drive to exceed expectations
- Collaborative attitude, ability to excel in a team and independent environment
- Commitment to customer satisfaction through problem solving, critical thinking and decision making
- Strong field skills including ATV, UTV, snowmobile, working in remote areas in all seasons
- Excellent communication (verbal and written), interpersonal, and conflict resolution skills
- Superior attention to detail to produce professional deliverables & documentation
- Technical, mathematical, scientific, and computer skills including ESRI ArcGIS experience & field (GPS)

What GeoVerra can offer you:

- Competitive compensation
- Comprehensive benefits coverage, vacation, wellness days, and RRSP matching contributions
- Tools and services to support your mental wellness
- Flexible workplace program to suit your needs
- Work-life balance
- Growth and advancement opportunities
- Paid professional dues
- Continuing education and professional development
- Use of leading-edge technology and equipment
- Diverse projects and a fast-paced working environment
- Support to the communities we live and work in

The Partnership Promise

This is our commitment to provide responsive, trustworthy, industry expertise and a solutions-oriented approach to our clients, but we extend this way of thinking in all we do. It shows up in the form of work ethic, teamwork, safety and support for our GeoVerra family.

Please apply on our [careers page](#). If you would like to explore the role informally or confidentially, contact Adrienne Maskalyk - Adrienne.Maskalyk@geoverra.com.
