Forest Resource Specialist Harvesting – RPF or RFT (Shift work fly from home)

Geoterra Integrated Resource Systems Ltd. is a British Columbia based company that provides consulting services to the natural resource sector and related industries. We are a leader in the provision of technical expertise and information within the industry, and we pride ourselves on the delivery of safe, efficient, and effective services.

Geoterra is currently seeking qualified candidates for harvesting supervision/inspection work in the Northern Interior of BC.

Qualifications

- Registered member of the ABCFP (RFT or RPF).
- Minimum of two years experience in harvesting or forest operations.
- Experience with oil and gas clearing is an asset.

The ideal candidate has excellent written, and verbal communication skills is a keen observer and can provide operational advice and guidance with respect to harvesting and clearing activities on a large pipeline project.

Position Details

This is a project-based term position and may base out of oil and gas camp or hotel settings. The anticipated shift for this position is three weeks on and one week off. Employment terms will be negotiated. All travel is paid time, and all expenses are paid. Exceptional wages are available for the ideal candidate.

Sub-contracting opportunities will be considered for this position.

Geoterra prides itself on its ability to offer staff a positive working environment with many opportunities for staff to grow and become an integral part of our professional services team. Self-reliant and motivated individuals will find that Geoterra offers excellent opportunities for advancement and career growth, as well as industry-leading wages.

Please submit a cover letter and resume in PDF format via email to:

hire@geoterra.net

This position will remain open until it is filled. However, we are looking to fill the position as soon as possible.

Only short-listed candidates will be contacted. We thank all applicants for their interest.
