

Forestry Supervisor Job Posting

Location:

Live where you want!!! Geoterra will provide travel to our exciting projects in the interior of BC.

Geoterra Integrated Resource Systems Ltd. is a British Columbia-based company that provides consulting services to the natural resource sector and related industries. We are a leader in providing technical expertise and information within the industry, and we pride ourselves on providing safe, efficient, and effective services. This position can be based anywhere in BC; Geoterra will pay for travel time and expenses to our project job sites.

This position is ideal for someone with a strong background in operational forestry, such as silviculture, forest development, timber cruising and harvesting.

Geoterra is currently seeking qualified candidates to fill an open vacancy for the position of **Forestry Supervisor**.

Job Highlights

- Geoterra has an industry-leading, extended health and benefits plan.
- Company RRSP matching program.
- Health spending accounts.
- Geoterra supports our employees with professional development opportunities and payment of professional dues.
- This position will require both office and fieldwork; travel is expected.
- Geoterra pays for all travel and accommodations, including per-diem while away from home.
- Work from home opportunities and flexible field schedules.

Qualifications Post-secondary education in a natural resource field.

- Registered or able to register with the Association of BC Forest Professionals (RPF, RFT).
- Positive attitude, highly organized, with a proven ability to provide supervision and mentor junior staff members.
- Minimum of 3 years experience in the forest industry.
- Specific experience with forest development activities such as block layout (ground based and cable), timber cruising, ecological data collection and riparian classification.
- Valid BC driver's license.
- Working knowledge of the BC tenure and appraisal system.

Some of our active projects:

<i>Forest Development and timber cruising</i>	<i>Community forest management</i>	<i>Wildfire management</i>	<i>Whitebark pine management</i>
<i>Harvesting supervision</i>	<i>Environmental inspection</i>	<i>Riparian and wetland classification</i>	<i>Erosion and sediment control</i>
<i>Indigenous relationship building</i>	<i>Water quality</i>	<i>Wildlife management</i>	<i>Invasive plant management</i>
<i>Caribou habitat restoration</i>	<i>Road and bridge design</i>	<i>Tree planting implementation</i>	<i>And many more.....</i>

Geoterra prides itself on offering staff a positive working environment with many opportunities for them to grow and become an integral part of our environmental services team. Self-reliant and motivated individuals will find that Geoterra offers excellent opportunities for advancement, career growth, and industry-leading wages.

Please submit a cover letter and resume in PDF format via email to:

hr@ccisolutions.ca

The job posting will stay open until the successful candidate is hired.

Only short-listed candidates will be contacted. We thank all applicants for their interest.
