

JUNIOR, INTERMEDIATE & SENIOR LAYOUT TECHNICIANS

TERRACE, BC

-LIVE IN OR FLIGHTS OFFERED TO TERRACE FROM MAJOR BC AIRPORTS-

INFINITY-PACIFIC STEWARDSHIP GROUP IS AN ESTABLISHED NATURAL RESOURCE MANAGEMENT CONSULTING COMPANY SEEKING A CANDIDATE TO HELP OPEN AN OFFICE PRESENCE IN TERRACE, BRITISH COLUMBIA, CANADA. OUR CORE BUSINESS IS PROVIDING FULL PHASE OPERATIONAL PLANNING SERVICES ACROSS BRITISH COLUMBIA FOR GOVERNMENT, INDUSTRY, PRIVATE LANDS AND FIRST NATION CLIENTS.

As one of BC's most integrated Forest Management companies, **Infinity-Pacific Stewardship Group** offers an impressive array of opportunities. We currently have positions available for Senior and Assistant Field Engineers to support and help build our Terrace operations. These roles will best suit a local resident of Terrace or individuals looking to relocate to the area, but candidates willing to travel for shift work will also be considered. The applicants will have previous forest engineering experience and be seeking the next step in their forestry career. Working under the direction of professional staff, the right candidates must be organized, hard working and possess strong leadership skills. This is an early growth opportunity – and will best suit an experienced person searching for career advancement.

QUALIFICATIONS

- Knowledge of and experience in forest engineering including timber and road development; planning, layout, and design both in the field and in the office.
- Perform field duties which may include block layout (GPS traversing, boundary painting), road layout and traversing, riparian assessment, timber cruising, field mapping and windthrow hazard assessments.
- Knowledge and understanding of GPS tools and applications and general computer skills (MS Office, RoadEng).
- Possess strong leadership, communication, and time management skills to oversee field crews with day-to-day tasks and meet client deadlines.
- Safety conscious, demonstrating support and compliance with Infinity-Pacific's and client specific safety management policies and procedures.
- Physically fit and willing to work in the outdoors year-round.

REQUIREMENTS

- **Must be willing and able to work camp shifts. Shifts typically run 9 days on and 5 days off. Option to live in Terrace or paid flights are offered from major BC airports.**
- Be enrolled in, or a recent graduate of a forestry/natural resource degree or technical diploma from a recognized institution and/or a member or eligible to enroll with the ABCFP as an RFT or RPF.
- A minimum 3-years experience is required for the senior layout technician position.
- Must hold a valid Class 5 Drivers License.
- Able to safely operate off-road vehicles such as ATV's, UTV's and snowmobiles.

Infinity-Pacific offers a competitive compensation package inclusive of a superior benefits package, an RRSP program, as well as supported professional development. Wages will be commensurate with experience.
