This is a remote work opportunity with all travel and approved expenses paid so out of town candidates are encouraged to apply.

The ideal candidate will have:

- Experience completing operational timber plans
- Great leadership skills with the ability to manage a crew of 4-8 workers
- Ability to manage and lead full phase development projects including assessments
- Knowledge of BC's forestry legislation
- A safety conscious leadership approach
- Experience delivering client packages (asset)

Training and Certificates:

- Be enrolled in, or a recent graduate of a forestry/natural resource degree or technical diploma from a recognized institution
- Be a member or eligible to enroll with the ABCFP as an RFT or RPF
- Be able to operate off-road vehicles such as ATV's, UTV's and snowmobiles
- Class 5 license
- Experienced non-professionals with 5+ years of road and block field experience

To apply, send your resume and cover letter via email with **"Engineering Project Supervisor"** in the email subject line, addressed to Human Resources at: hr@infinity-pacific.com.

Thank you!
