

# Excellence grows here.

## Job Opportunity: Scaling & Marine Supervisor, Nakusp, BC

### Who We Are

Interfor is a growth-oriented lumber company with operations in Canada and the United States. We have an annual production capacity of 3 billion board feet and offer one of the most diverse lines of lumber products to customers around the world.

### What We Offer

Interfor is where excellence meets opportunity. We invest in your success by positioning you alongside the best people in top quartile mill facilities located in great communities across North America. In the past decade, we've infused close to \$1 billion into modern facilities and systems that employ the latest technologies.

Interfor is one of the largest lumber companies in the world and we're growing in exciting directions. Come be a part of our success.

We are currently recruiting for a **Scaling & Marine Supervisor to be based at our operations in Nakusp, BC**. The Scaling & Marine Supervisor will be responsible for managing our Upper Arrow Lakes scales, logyards, and marine activities and have a strong commitment to safety.

### What You'll Do

- Supervision of unionized marine and contract log yard crews and scalers.
- Strong organizational skills in administering collective agreements.
- Demonstrating leadership in complying with safety and environmental requirements.
- Budgeting and scheduling.

### What You Offer

- Valid class 5 driver's license (a valid driver's abstract must be submitted with your application).
- A BC Interior scaling license would be an asset.
- Demonstrated interest and innovative aptitude in safety, mechanics, and log quality.
- Familiarity with booming and rafting and marine vessels.
- Background in forestry and tree species identification.
- Self-motivated and highly organized.
- Excellent communication and interpersonal skills.
- Thrives in a team based, results oriented environment.
- Dependable and high level of physical fitness.
- Computer skills in Microsoft Excel and Word.

- Ability to maintain effective relationships with government agencies, contractors, suppliers, First Nations and stakeholders.
