

JBWilliams

Job Opportunity: Forestry Assistant/Assistant Timber Cruiser

Location: Prince George, BC

Who we are:

JBWilliams Consulting is a small and growing forestry consulting company based out of Prince George, BC. We work in the interior, as well as the beautiful Northwest region of BC. We provide solutions and field expertise to several clients in the BC forestry industry, with our scope reaching from timber development and timber cruising to logging waste and residue surveys.

Description of job:

We are looking for a forestry assistant and timber cruising assistant. You would be responsible for assisting a timber cruiser collect tree data and assisting with block layout. Attention to detail when completing plots and taking accurate measurements is necessary. The job requires high physical fitness and the ability to hike for long periods of time in all weather conditions. The job is a mix of camp shifts (logging camps, hotels etc..) and work from Prince George. The ability to safely use an axe, navigate with a compass and operate ATVs and snowmobiles are necessary parts of the job. Previous forestry or related field experience is an asset but not required.

Job duties:

Assisting the timber cruiser

Block boundary layout

Qualifications:

One or more years of forestry/ field work experience (not required).

Physically fit, organized, willing to work in all weather conditions and work remotely in camp.

ATV and snowmobile experience.

Valid Class 5 Driver's Licence.

Occupational First Aid

Experience using a tablet/Ipad and Avenza (not required).

Offering 6-10 Month employment contracts

Salary: **\$25-\$30/hour**, dependent on qualifications and experience
