

JBWilliams

**Job Opportunity: Timber Cruiser**

**Location: Prince George, BC**

**Who we are:**

JBWilliams Consulting is a small and growing forestry consulting company based out of Prince George, BC. We work in the Forests of the Nechako and Omineca regions, as well as the beautiful Northwest region of BC. We provide solutions and field expertise to a number of clients in the BC forestry industry, with our scope reaching from timber development and timber cruising to logging waste and residue surveys.

**Description of job:**

We are looking for an experienced timber cruiser to join our team and assist with our timber cruising contracts. There will also be opportunity to work in timber development and waste and residue projects. The right candidate will be responsible for providing accurate timber cruising that will pass client and Ministry audits, as well as training/mentoring cruising assistants. Two or more years of Timber Cruising experience is required for this position. Timber development (layout, roads, eco) and waste and residue experience is an asset.

**Job duties:**

Timber cruising

Training cruising assistants

Check cruising

Reviewing cruise cards

Timber cruise compilations

**Qualifications:**

Two or more years of relevant forestry field experience.

Registration with the FPBC or currently eligible to be registered with the FPBC is preferred and considered an asset.

Physically fit, organized, willing to work in all weather conditions and work remotely in camp.

ATV and snowmobile experience.

Valid Class 5 Driver's Licence.

Occupational First Aid

Proficiency with CruiseMate, Avenza, Microsoft office, CompMate

Offering 6-10 Month employment contracts

Salary: **\$27-\$35/hour**, dependent on qualifications and experience

If you are interested in working with a growing team of forestry professionals, please send resume and cover letters to **cwilliams@jbwilliamsc.com**
