JWRL Geomatics Inc.
Job Posting: Photo Interpreter

Location: Remote
Date Posted: Aug. 23, 2024

JWRL is a geomatics services company with considerable forestland applications background. We are interested in expanding our team of Forestland Photo/Image Interpreters.

Required:
- an advanced understanding of Canadian forestland ecology,
- photo interpretation training and experience, and, preferably, certification,
- experience with GIS related to photo interpretation.

Please send cover letter and resume to andy@jwrl.ca, addressing all requirements noted above. Include details on photo interpretation experience (where, dates, to what specifications).
