

## Timber Cruiser

**Landmark Solutions Ltd.** (Landmark) is a multi-discipline company, providing natural resource management consulting to the BC forest industry, governments (First Nations, Federal, Provincial, and Municipal), and private landowners. We also provide resource-based construction and marine services to clients across western Canada. Our clients rely on us to develop innovative, cost-effective solutions and provide high-quality service with a focus on safety and the protection of environmental and cultural values.

Landmark is based in Salmon Arm, British Columbia, on Shuswap Lake and the area offers a wide variety of year-round outdoor activities.

We are currently looking to add a **Timber Cruiser** to our team, with opportunity for the individual to grow within our Natural Resources Department and other sectors of the Landmark business. The workload involves both field and office components.

The ideal candidate for the position possesses the following assets and qualifications:

- Registered or immediately eligible to be registered as a RFT, ATC or ATE with Forest Professionals of British Columbia,
- Minimum 500 timber cruise plots of head cruiser experience in BC,
- Valid drivers license and the ability to drive safely in a variety of road conditions,
- Ability to provide safety leadership and direction by guiding safety improvement and ensuring adherence to Landmark safety policies, procedures, and practices.

## Compensation

- Wage range from \$28 to \$36 per hour based on skill level, qualifications, and experience,

If you are seeking a challenging position with opportunities for long term career advancement, then please apply for this position through the careers page on our website, <https://www.landmark-solutions.ca/careers/> .
