

Field Planner Position

Lemare is a privately-owned timber harvesting, tenure management and civil construction services company based in Port McNeill, BC, with various operations on Vancouver Island, the Great Bear Rainforest, and Northern BC. Lemare is currently seeking an ambitious, intermediate level planner to join our team of skilled resource professionals. This position is based out of our **Port McNeill, BC** office.

Reporting to the Planning Manager, the candidate will be primarily responsible for assisting with planning and oversight of engineering and silviculture activities on Vancouver Island and The Great Bear Rainforest.

Responsibilities:

- Assist with coordination, scheduling, and quality control of field crews
- Assist with review and preparation of assessments, site plans, and operational instructions
- Assist with cutting permit and road permit preparation and submission
- Meeting timeline and budget targets
- Liaise with stakeholder/clients/partners on project specific matters
- Various other field and office duties

Qualifications and Competencies:

- 2 - 5 years coastal forest industry experience
- Eligible or currently registered with the ABCFP
- Commitment to safety and the environment
- Experience with coastal forest engineering, harvest systems & timber quality
- Working knowledge of forest legislation and policy in BC
- Strong organization and communication skills, willingness and ability to learn new skills

Occasional camp work may be required for this position.

Lemare has a strong workplace culture and support for continuous on the job education. The right candidate will gain exposure to all facets of the operation, will acquire an extensive understanding of the industry, and become a well-rounded professional. This position will have opportunity for career progression within the company.

Please apply with resume and cover letter with subject header "Intermediate Planner Position" addressed to reception@lemare.ca

We thank all interested candidates, however only those short-listed for interview will be contacted.
