

McGlynn Contracting is a high volume stump to dump logging company based out of Grande Prairie. Our philosophy is simple " think outside the box." We offer unique solutions to solve unique problems. Professionalism, high quality, efficiency, and perfection are what we provide. We field three highly skilled divisions, trucking, logging, and road building.

****If it needs to be done, we can do it!**

We are looking for experienced feller buncher and log processor operators to join our logging operations team. The successful candidate will be self motivated and safety conscious with a focus on production. This is a field-based position and camp accommodations are provided. Successful candidate will be able to pass drug testing.

Role and Responsibilities

As an experienced Operator, you will:

- Operate equipment in a safe and efficient manner, including in steep slope conditions.
- Perform routine equipment inspections and maintenance · Ensure machine has enough fuel to complete job
- Judge terrain conditions for safe vehicle and equipment operation
- Assist other logging and forestry workers

Our 'Must Haves' that make you great

- You MUST have a minimum 2-3 years' experience as a Feller Buncher or Processor Operator in a high volume and demanding environment
- Experience working in steep slope conditions as asset
- A valid Class 5 Driver's license (or provincial equivalent to)
- Strong work ethic and positive team attitude
- Must be able to work in a camp environment with flexibility in shift work
- A valid OFA Level 3 First Aid Certificate is an asset
- Good organizational and time management skills
- Willingness to travel and work in an outdoor environment in remote locations
- Able to work cooperatively in a team, but also independently with little supervision
- Physically fit to endure the rigors of full-time fieldwork in all conditions
- Safe work mindset is required
- Accountable and dependable

We offer

- A Safe Work Environment
- Competitive Wages for quality work in a high volume and demanding environment
- High quality Tigercat equipment
- Great company owned camp facilities
- Shift schedule can vary depending on operations
- Progressive and innovative company

Wage rate negotiable dependent upon experience, starting at \$32.00/hour
