Operations Forester

About Mistik

Mistik Management Ltd. is a Forest Management company comprised of 14 staff. We are located in West Central Saskatchewan in the beautiful boreal forest area, where outdoor enthusiasts thrive on the abundant nature of rural Saskatchewan. Mistik manages all Woodland related activities for L and M Wood Products (Saskatchewan's largest post, rail and timber manufacturer), Meadow Lake Mechanical Pulp Inc. (the first successful zero-liquid effluent mill in the world and a Paper Excellence Company, the largest producer of pulp in Canada), and NorSask Forest Products LP (largest 100% owned and operated First Nation sawmill in Canada). Come be a part of our growing team of professionals in a business that is shaping forest management practices in Saskatchewan and across Canada.

Reporting to the Operations Manager in Meadow Lake, Saskatchewan, in this exciting new role you will develop harvest plans and obtain approval for 150,000 m³ annually on the L and M FMA. You will also work closely with contractors, stakeholders and the Ministry of Environment to implement Mistik Management Ltd.'s Safety, Certification, Production and Quality programs on Mistik timberland assets in Saskatchewan.

Qualifications
