Monticola Management Ltd.

Job Posting – Full-time Junior Forest Technician

Job Description: We are seeking an eager and energetic early professional to complement our team and support a range of forest operations. This is an entry level, field-based position for someone who has basic forestry field knowledge and a willingness to learn, adapt and problem solve. You will be working in a small team, supporting forest management operations based out of our main office in Fruitvale, BC with work sites in the Fruitvale, Rossland, Salmo and Creston areas. This is a Monday-Friday/40-hour weekly work schedule with occasional, limited overtime.

Your main responsibilities will include but are not limited to:

- Reconnaissance and layout of harvest projects
- Timber evaluation and assessment
- Road classification and new construction layout assistance
- Road inspections, gate and signage maintenance
- Silviculture surveys
- Beetle trap and MCH project set up and maintenance/data collection
- Mapping field data
- Fire watch duties

Requirements: The ideal candidate would have the following qualifications:

- A degree/diploma in forestry and an RPF or RFT designation
- Experience, training or education in field data collection
- A valid Class 5 Driver's license
- Commitment to safety and stewardship
- Good physical condition and able to withstand the rigors of working outdoors
- S100, OFA 1 with TE, and other safety certifications an asset

Compensation and Benefits:

- \$ 28.00 per hour
- Extended medical and dental benefits
- Safety clothing allowance of \$500 per annum
- Shared field vehicle provided by Monticola
- Basic field equipment provided by Monticola
- Cell phone provided by Monticola
- Vacation of 15 working days annually
- BC Statutory Holidays (11 days) and Easter Monday paid

Who is the Employer - Monticola Management Ltd.?

We are a consulting firm with 35 years of experience in delivering private land management on larger land parcels primarily in the West Kootenay area. The forest operations land base

includes 28,815 ha of private land and a 660 ha BC Provincial Woodlot License in the West Kootenay area. The total timber harvest volume annually on this land base is 87,856 m³. Full silviculture liabilities on the properties are part of the management services, and some of the land base is un-roaded and requires road building activity.

If you are interested in this position, please apply by sending your resume, cover letter, and any questions to Maureen Muentner-Anderson at maureen@monticola.ca.
