

Explore A Career At Mosaic

Operating for over a century on Vancouver Island and coastal BC, Mosaic Forest Management is Canada's largest private timberland producer. We take pride in our land base and have a long-term view of managing our trees and the eco-systems in which they grow.

The Opportunity

Mosaic is seeking an **Area Planner** to work out of our Campbell River, BC office.

The Role

Reporting to the General Manager, Operations – North Island, the Area Planner is responsible for planning area harvesting and road building, and ensuring all field layout, surveying, mapping design activities, and permitting are effectively managed. Specific responsibilities include but are not limited to:

- > Safely planning and directing operations projects and activities for assigned areas;
- > Managing field layout, surveying activities, mapping activities, and design activities, in collaboration with Contract Engineers and Contract Managers;
- > Actively participating in field auditing contract planning work, conducting cut block and road layout, mentoring field staff, and identifying and resolving issues;
- > Delivering road and harvest plans to the Contract Manager and supporting the safe execution of these activities;
- > Completing permit applications to execute logging and road-building activities;
- > Working with First Nations to ensure operational activities respect cultural values;
- > Coordinating the design, installation, inspection, assurance, and maintenance of bridges;
- > Providing input into contract management activities including supporting contract development, rate negotiations and issue resolution; and
- > Supporting the implementation of area operations projects and initiatives.

Required Skills and Experience

- > RFT or RPF eligibility or accreditation with the Association of BC Forest Professionals (ABC FP);
- > Technical Diploma in Forestry or equivalent;
- > Valid Class 5 driver's license or equivalent;
- > 2+ years forest engineering experience with coastal experience is preferred but not required;

- > Aptitude in Microsoft Office products, ROADENG, GIS, LIDAR, GPS, ARCMAP based mapping and/or other evolving computer applications;
- > Demonstrated competence in cut block layout;
- > Practical knowledge of timber harvesting systems;
- > Understanding of applicable regulations, legislation, and certification systems (ISO 14001 and SFI);
- > Excellent communication and interpersonal skills;
- > Ability to self-direct and effectively organize work; and
- > Ability to plan and prioritize resources.

What You Get

Mosaic Forest Management is one of [BC's Top 100 Employers](#). We are proud of our highly collaborative, respectful, and innovative work environment. Our employees are empowered with high levels of role autonomy and the ability to make decisions and lead change.

Our pay-for-performance compensation philosophy is a key driver of our culture and includes competitive compensation and benefits, a bonus based on individual and company performance, a company-funded defined contribution pension plan, paid vacation, and a health and fitness reimbursement program.

Our employees are also eligible for a variety of other benefits and perks, including but not limited to hybrid work options, maternity/parental leave top ups, a camping benefit and free firewood.

Compensation

The annual salary range for this position is \$88,000 to \$110,000. Individual compensation is commensurate with skill, relevant experience, and education.

About Mosaic Forest Management

Mosaic Forest Management Corporation is in the business of sustainable forest stewardship, managing private timberlands and Crown forest tenures in Coastal British Columbia for more than a century.

Mosaic employs several thousand people directly and indirectly, and is committed to achieving positive economic, social and sustainability outcomes from the working forest.

The Mosaic land base spans across beautiful Vancouver Island. Beyond generating strong economic returns, we manage our private forest lands to protect the cultural values of our Indigenous partners, provide sustainable forest stewardship and environmental services, and offer a variety of recreational opportunities, scholarships, and donations to our neighbouring communities.
