

**Success for us is being proud of what we achieve and how we achieve it.**

Mosaic Forest Management is a Canadian leader in sustainable timberlands management created through the affiliation of Island Timberlands and TimberWest (in 2018) and has operated on British Columbia's Coast for more than 100 years. We strive to be a global leader implementing the latest innovations and technologies across our operations, with our people and their safety and wellness as our highest priority.

**The Opportunity**

Mosaic is growing and seeking an **Infrastructure Planner** to work out of our Nanaimo or Northwest Bay office on Vancouver Island, British Columbia.

**The Role**

Reporting to the Manager, Infrastructure, the Infrastructure Planner will support Timberlands Operations with maintaining a high standard in harvest planning relative to safety, environment, quality, productivity, and costs. This position requires leadership and commitment to improving our business. This position supports our Operations, Sustainability, and Commercial Sales Teams to plan and implement improvement and maintenance projects on our roads and at our log yards. Specific responsibilities include but are not limited to:

- > Forest road, bridge and culvert inspecting, planning, maintaining, project managing and supervising;
- > Log yard inspecting, planning, maintaining, installing, project managing and supervising;
- > Working with and leading staff and professional consultants to develop and implement solutions;
- > Managing contractors and suppliers to meet business goals;
- > Assisting the Operations team with short-term and long-term operational planning, annual budgeting, contract management systems, negotiating rates, and resolving operational issues;
- > Maintaining and fostering good relationships with First Nations, government agencies, and industry players to preserve and enhance the Company's position within the industry and the overall community; and
- > Providing vacation relief coverage for Contract Managers.

**The Infrastructure Planner is a safety sensitive position.**

## **Required Skills and Experience**

- > 5+ years of related operational forestry experience.
- > Accreditation with the ABCFP as a Registered Professional Forester or a Registered Forest Technologist, or eligible to apply for accreditation.
- > Valid BC Driver's Licence.
- > Demonstrated ability to lead people and work effectively in team environments.
- > Demonstrated leadership capacity in safety and environmental stewardship.
- > Able to meet the demands of walking in difficult forest terrain and construction sites on a regular basis.
- > Aptitude in Microsoft, ROADENG, GIS, LIDAR, GPS, ARCMAP based mapping and other evolving computer applications is preferred but not required.
- > Ability to self-direct and effectively organize, plan work and prioritize resources to deliver divisional and departmental plans and activities.
- > Superior interpersonal, oral, and written communications skills.
- > Strong attention to detail.
- > Action and results oriented.

## **What You Get**

Living on Vancouver Island surrounded by the Pacific Ocean on the west Coast of Canada. We offer a comprehensive and competitive benefits package which includes a company pension, health and dental coverage, accident and disability insurance, paid vacation and health and wellness incentives along with several other benefits and perks.

## **To Apply**

Please submit your cover letter and resume to [careers@mosaicforests.com](mailto:careers@mosaicforests.com) by September 24, 2021. Use "INFRASTRUCTURE PLANNER – YOUR NAME" in the subject line.

## **About Mosaic**

Mosaic Forest Management manages the forest planning, operations, and product sales for TimberWest and Island Timberlands, delivering sustainable forest management within their private forest lands and Crown tenure areas. All forest lands are certified under the Sustainable Forestry Initiative (SFI).

Mosaic employs several thousand people directly and indirectly to achieve strong economic, social and sustainable outcomes from the working forest. We are Canadian owned by major Canadian public service pension funds.

Mosaic was the first forestry company in BC to achieve Progressive Aboriginal Relations Bronze Certification and then Silver Level Certification. Also, the first forestry company in the world to include the supply chain in its carbon accounting and recently certified by the Carbon Trust for our carbon accounting across the company's entire supply chain.

We are an equal opportunity employer committed to diversity and inclusion and welcome all interested applicants to apply.
