**About Mosaic Forest Management**

Mosaic Forest Management Corporation is in the business of sustainable forest stewardship, managing private timberlands and Crown forest tenures in Coastal British Columbia for more than a century.

Mosaic employs several thousand people directly and indirectly, and is committed to achieving positive economic, social and sustainability outcomes from the working forest.

The Mosaic land base spans across beautiful Vancouver Island. Beyond generating strong economic returns, we manage our private forest lands to protect the cultural values of our Indigenous partners, provide sustainable forest stewardship and environmental services, and offer a variety of recreational opportunities, scholarships, and donations to our neighbouring communities.
