

## **EXCELLENT PEOPLE MAKE EXCELLENT BUSINESS**

Norbord is the leading global OSB manufacturer. Our success comes from hiring skilled and talented team members in all areas of our business. We are dedicated to developing and retaining a strong and committed workforce that ensures we remain at the front of manufacturing excellence. At Norbord we are committed to teamwork and safety without compromise. We are currently seeking an exceptional individual for the following vacancy:

### **PRODUCTION MANAGER – BARWICK, ON**

Reporting to the General Manager, the Production Manager is responsible for overseeing the safe, efficient and cost-effective production and shipping of quality oriented strand board products. This position oversees and coordinates activities of the production team, the log yard team and the shipping team in order to support the Company directed strategic plan and ensure quality products are available to customers.

As the ideal candidate, you have a minimum of five years supervisory experience in a safety sensitive, capital intensive, continuous operation manufacturing environment and proven experience in developing capabilities in people and manufacturing processes. You also possess a demonstrated record for improving safety culture. Excellent computer skills, project management training and exposure to computerized maintenance management systems (IVARA) would be an asset.

If you are a team player who takes pride in a job well done and want to make a real impact at the place you work, look into a career with Norbord, you will like what you see.

Please submit your resume, in confidence to:
