## Forest Technicians/Field Assistants

**Location:** Quesnel, BC

Nortech Forestry Ltd is a well-established, stable company located in Quesnel BC that has been providing professional, high-quality forestry services to major licensees, government agencies and private landholders since 1987. Nortech is currently seeking applicants to fill full-time positions in the Quesnel area.

Successful applicants will be involved in completing multi-phase projects, including timber reconnaissance, block and road planning and layout, riparian and damage assessments and surveys, site plan data collection, timber cruising and various other tasks, as well as aiding with or performing the associated mapping, office work and reports.

Work is full-time, 5 days per week, Monday to Friday and based out of our office in Quesnel.

### Qualifications / Assets:

- Experience or familiarity with related work is an asset. A post-secondary education with a diploma in forestry is preferred, though not required. We will train.
- Possess good basic outdoor or field skills and be physically capable of working safely in remote forest conditions.
- Have good problem-solving abilities and an ability to learn new skills.
- Have, or be capable of learning, solid map reading and data collection skills.
- Experience with pertinent field/office equipment and related software is an asset (compass, Garmin GPS, tablets, apps such as MS Office, GPS/data and mapping applications, basic computer skills).
- Possess a valid driving license and be legally permitted to work in Canada. Experience safely operating 4WD pickups, ATVs and snowmobiles would be useful.

Email in confidence a cover letter and detailed resume, ***in PDF format*** please, to:  
[jobs@nortechforestry.com](mailto:jobs@nortechforestry.com).

We thank all candidates for their interest, however only those selected for an interview will be contacted.
