

North Nova Forest Owners Co-op Operations Supervisor

As the Operations Supervisor you will be responsible for implementing a robust silviculture and ecological harvesting program. Working with leaders in the Nova Scotia forest sector, you will be responsible for setting new standards for how forestry is implemented on the landscape of the Wabanaki (Acadian) Forest.

North Nova is a private land forest co-operative that was established in 1976 that has grown from six original members to more than 430 current members and more than 75,000 acres of forested land under advisement. It is guided by a six-member board of directors and a manager.

Primary Job Responsibilities:

- **Silviculture and ecological harvest engagement**
- **Engaging existing and new members**
- **Inventory Analysis**

Working with North Nova Forest Owners Co-op Ltd you will be part of team atmosphere where we genuinely care about the environment and future of the communities, we operate in. You will work with a diverse sector of stakeholders, including the working industry (sawmills), various stewards of the land, landowners and forestry operations businesses.

Job Requirements:

- Preference for a graduate with a recognized forestry degree or forest technical diploma with a combination of knowledge/experience that fulfills the role
- Three years' experience in forest operations including trucking, harvesting and road building
- Proficient with QGIS or other GIS platforms
- Understanding and knowledge of inventory and modeling preferential
- Experience and interest in working with private stewards
- Commitment to be a team player in an inclusive work environment
- Demonstrated ability to follow directions and work independently
- Travel throughout Colchester, Cumberland and Pictou counties
- Vehicle capable of traveling on forest access roads

Work Location:

North Nova's office is in the beautiful Wentworth Valley in northern Nova Scotia. We operate in parts of Cumberland, Colchester and Pictou counties. Working out of the office in Wentworth you will be close to Ski-Wentworth, the beaches of the Northumberland Strait, the unique communities along the Northumberland Strait like Tatamagouche, Pugwash and Wallace among others and their well-known restaurants and breweries.

Compensation and Hours of Work:

Working at North Nova you will receive a competitive salary and benefits package as well as a flexible work scene in a beautiful part of the province of Nova Scotia. You will be part of both a co-shared retirement savings and health benefits plan. Your salary will be based on 40 hours per week, with both flexibility in the workplace as well as demands outside normal hours of operation, from time to time.

Application Process:

Please send your resumes and cover letter to the Manager of North Nova:

Greg Watson
