

The Northumberland Woodlot Owners Association will be accepting applications for a position as a **Silviculture Technical Lead**.

Duties will entail the following:

- Plan, implement, supervise and perform technical functions in silviculture operations and other forest management activities involving thinning, site preparation, planting, and partial harvesting;
- Conduct field assessments and area measurements of various forest management activities and ensure criterion guidelines have been met for payment submission;
- Assist and perform technical functions using GPS and GIS mapping systems as well as other computerized information systems;
- Conduct, supervise, liaise and participate in other various related activities as may be required;
- Inform woodlot owners of Federal and Provincial regulations governing forestry operations on their land;
- Provide forestry education, advice and recommendations to woodlot owners, community organizations and the general public.

Minimal experience is required and the successful candidate must hold a post-secondary forestry education and be eligible for registration as either a CFT or RPF in New Brunswick. Travel will be required throughout the Northumberland region and occasionally to other places within the province and other nearby jurisdictions. The successful candidate must also hold a valid NB driver's license and a dependable means of transportation.

Our ideal candidate:

- Is able to work both independently under limited direct supervision as well as in a dynamic team environment;
- Is physically capable of walking several hours at a time on various forest terrains and weather conditions, and capable of lifting loads of up to 15kg;
- Is a fast learner that responds well to constructive feedback;
- Has effective time management, problem solving and communication skills;
- Is adaptable to a variety of work environments and situations;
- Has a positive attitude and ability to maintain a professional, courteous and friendly manner.

Only successful candidates will be contacted for an interview.
