

Ntityix Resources LP

Development Forester/Technician

Ntityix Resources LP is a Westbank First Nation (WFN) owned natural resource company and have been managing all aspects of WFN's Community Forest Agreement and, more recently, its Replaceable Forest Licence (presently being rolled into a FNWL).

We presently have an opening for a **Development Forester/Technician**. The successful candidate will implement the strategies of our Seven Generation Plan by making decisions on the ground regarding harvesting opportunities and road locations.

This is an opportunity to gain some valuable skills in all aspects of forest management from a First Nation's stewardship perspective. We are looking for a team-oriented individual who is open to new ideas and excited to be a part of a small, forward-thinking organization. We are growing, and offer you a unique opportunity to join our ground-breaking and innovative team.

If the following list describes you, please consider this opportunity.

- You are registered or enrolled member of the ABCFP.
- You have at least two years of experience in layout and development.
- You enjoy working in a small team environment (we presently have 12 full-time staff).
- You are seeking an opportunity to work on First Nation-owned, area-based forest tenures.
- You want to work for a company who seeks to redefine good forest stewardship.
- You are open-minded and passionate about natural resource stewardship.
- You have excellent interpersonal, communication and organizational skills.
