Optimum Resource Management Ltd. has an opening for a full-time *Practices Forester* in McBride BC.

This position is open to individuals with professional forestry designations. Your role will contain both field and office duties, so your day may include inspecting field work, ensuring legal requirements have been met, assisting the team in production, performing surveys and assessments, collecting ecological data, completing site plans, due diligence and other professional reports, signing professional documents, etc. Optimum invests in their employees to help them achieve their full potential by offering great rates, a benefit package, mentorship, ongoing professional development training and subsidizing professional dues for those registered with the FPBC (formally ABCFP). Our remuneration packages include provisions for travel and overtime. A signing bonus is offered to the right candidate.

An exciting opportunity to work and learn in a very well-rounded organization and flex the passion and knowledge you are bringing to the table.

Preferred qualifications:

- Registered Professional Foresters, Registered Forest Technologists, Natural Resource Professionals are preferred.
- To live in or near the town of McBride, B.C. however, we will consider those individuals who prefer to live in Prince George, B.C. or other areas as long as they are willing to stay during the work week in McBride while working (A Live Out Allowance is provided in these circumstances).
- Preferred experiences and skills relating to forest management, multiphase development, silvicultural systems and silvicultural surveys, riparian assessments, ecological and site plan development, steep slope harvesting operations.
- Working knowledge of Microsoft office, Q-GIS/ArcGIS, Roadeng software
- 5+ years work experience.
- Valid Drivers license with a clean abstract.

In addition, all candidates should demonstrate the following:

- Team player and has a professional service attitude.
- Good quality workmanship and thoroughness. An eye for details is required.
- Good verbal and written communication skills.
- Competency in your skills and knowledge, forest legislation and able to sign within scope of practice.
- Passion for forestry, working outdoors and hiking in steep mountainous terrain.
- Initiative and perseverance.
- Ability to work independently and able to manage people under them.
- Safety conscious - understands and familiar with WCB regulations and ForestSafe BC.
- Good problem-solving skills
- Willingness and ability to adapt to changing conditions and schedules.

Applications will be accepted until the positions are filled. Please email applications to Randy McFarland, RFT at orm.mcbride@gmail.com.

Optimum Resource Management Ltd. would like to thank all candidates for their interest and applications. Only those selected for an interview will be contacted.
