

Nursery Manager

PRT Juniper Beach, Walhachin, BC

Position Summary:

As the leader of the local management team, you will have the opportunity to work with the most innovative conifer seedling producer in the industry with a focus on customer satisfaction and continuous improvement. You will oversee all aspects of greenhouse and open compound seedling production and lead an experienced team that takes pride in meeting our customers' expectations. Your focus will include financial management, personnel development and leadership, continuous improvement activities, customer focus, overall site safety, and promotion of PRT.

Compensation, Benefits & Workplace Culture:

- Highly competitive annual salary matching your level of experience and ability
- Bonus incentive program – up to 15% of annual salary
- Matching RRSP program
- Comprehensive benefits package inclusive of extended health, dental, provincial medical
- Relocation allowance
- Our PRT nurseries are vibrant and fun communities with employees who share a strong passion for the “green” nature of our business and doing their part in regenerating the forests of North America under a supportive team-structured environment, with a strong safety culture, and a commitment to the environment.

Knowledge, Skills, & Abilities:

The ideal candidate will have:

- A bachelor's degree or diploma in horticulture, agriculture, or forestry, or the equivalent combination of education and experience
- Five or more years of horticulture or crop production experience
- Experience leading and managing crop production teams
- Strong planning, organization, and time management skills
- Ability to problem solve and conduct root cause analysis
- Strong computer skills with proficiency in MS-Excel, MS-Word, and MS-Outlook
- Experience with the use of Lean tools for continuous process improvement in a production environment
- Ability to work with financial data including developing budgets and financial analysis

Location:

Walhachin is a small town located in Gold Country in the Thompson Okanagan region, located 10 km west of Kamloops Lake, and 65 km west of Kamloops on the south shore of the Thompson River near Highway 1. The region can accurately be described as a bustling oasis town in the midst of cactus, tumbleweed and a desert-like climate. Surrounded by lakes, camping, hiking and popular ski resorts, the area has something for everyone.

About PRT Growing Services Ltd.:

PRT operates a diverse network of 19 nurseries in Canada and the United States enabling us to grow a wide variety of high-quality container forest seedlings for all climatic and site conditions. Annual production of 335 million seedlings makes PRT the largest producer of containerized forest seedlings in North America. We produce trees for customers from British Columbia to Ontario and Michigan to Alabama to Oregon.
