

PACIFICA GROUP - Project Manager (Terrace, BC)

This is a Full-Time position that involves work in both a field and office environment. Field work is primarily in NW BC in the Terrace / Kitimat / Prince Rupert area. We prefer candidates who would be based near our Terrace office but are open to other location arrangements.

Work includes:

- Developing and maintaining relationships with log suppliers, including First Nations, private landowners, and licensees.
- Hiring Contractors and negotiating harvesting and road-building contracts.
- Onsite presence to help ensure safety, environmental, contractual, & log quality obligations are met.
- Evaluating timber stands to determine profitability.
- Preparing timber sale bids and project proposals.
- Providing timber harvest and road-building operations planning and pro forma analysis.
- Assisting with log sales, sorting, and transportation.
- Preparing production schedules, budgets, and cash flow projections.

Skills and Experience:

- RPF or RFT designation is preferred, but not required.
- BC Scaling License is preferred, but not required.
- Logging and/or road-building experience is an asset.
- Experience with boats is an asset.
- A minimum 4 years' experience in the BC Forest Industry in an operations related role.
- Coastal BC operations supervision and/or management experience is preferred.
- Demonstrated experience managing timber harvesting projects from start to completion.
- Working knowledge of coastal log species' end use sorts and log markets.
- Proficiency in Microsoft Office Applications.
- Excellent oral and written communication in English.
- Demonstrated ability to work well within a team environment.
- Strong safety ethic.
- Valid BC Drivers License.

We offer competitive compensation that includes incentive bonuses. This is intended to be a staff position, but we are open to contract arrangements for exceptional candidates.
