

Coastal Forest Planning Campbell River

Ranger Forest Services Ltd is looking to hire an individual with experience in coastal forest planning in one, or several of the following aspects:

- Forest harvest and road planning
- GIS analysis and mapping
- Visual impact assessment
- Timber supply analysis
- Site plan field work and preparation.

Eligibility for registration with the ABCFP as an RFT or RPF is preferred.

This is a permanent full-time position with a wage reflecting qualifications and experience (\$27.50 - \$40.00+/hr). Individuals that prefer part-time will be considered.

Remuneration includes a comprehensive benefits package with excellent health/dental coverage, long term disability and a pension plan. We provide a very flexible and supportive work environment, including remote work.

Ranger Forest Services is a safe, quality focused professional forest service provider that strives to exceed our client and employee expectations. Working safely is a condition of employment in which all employees, clients and contractors are treated in a fair, respectful and dignified manner.

To apply for a position, in confidence, please forward your resume to info@rangerforest.ca.

Thank you for your interest in Ranger Forest Services, applicants short listed for the position will be contacted.
